PLANNING APPLICATION for Short-Term Rentals

FILE NO.	2022 STRCU-07
HEARING DATE	Dec 14 th 2022
TIME SLOT	2:30 pm
DECISION	

What is a conditional use?

A conditional use means a building or land use that may be unique in its characteristics or operation which could have an impact on neighbouring properties.

How long does the conditional use process take?

The length of time to process depends on the complexity of the application proposal and the completeness of the required documentation and information.

What happens during the conditional use process?

Once the complete application is submitted and the applicable fees have been paid, the planning officer will approve the conditional use for posting and public notices will be prepared.

Notice of hearing will be sent at least 14 days before the hearing to every owner of property located within 100 metres of the affected property.

The public notices inform the neighbourhood of the purpose of the conditional use and the date, time, and location of the public hearing. On the day of the hearing, the decision maker (Council) will decide whether to approve the conditional use with or without conditions, or reject the conditional use altogether.

What criteria is used when Council makes a decision?

The criteria to approve a conditional use application are based on subsection 106(1)(b) of The Planning Act, which includes the following:

- (i) Will be compatible with the general nature of the surrounding area,
- (ii) Will not be detrimental to the health or general welfare of people living or working in the surrounding area, or negatively affect other properties or potential development in the surrounding area, and
- (iii) Is generally consistent with the applicable provisions of the development plan by-law, the zoning by-law and any secondary plan by-law.

In the letter of intent, please explain how each criterion is met. This is an opportunity to address all issues and reduce the possibility of an important factor being overlooked.

Is Council's decision appealable?

The order of Council on an application for approval of a conditional use is final and not subject to appeal.

RE: 505 PTH#10 Unit 8 (address or legal description of application)
R0J 1N0
Onanole, Manitoba

I consulted with my neighbours on my request for a short-term rental at the above referenced premises.

Please provide a brief description of the planning application in the space provided below:

Unit 8 has been following all bylaws within the Bears Den Condo
Corporation since incorporation. There has been no problems/ issues
during this time.

The following neighbours support/do not oppose my request for a short-term rental:

Letter of Intent – Planning Application for Short-term Rentals

Date	October 31, 2022	File No.	
Name of Applicant	Ross Linto		
Property Address	505 PTH#10 Unit 8 R0J 1N0 Onanole, Manitoba		

What is/are the reason(s) for this application? *(Please attach any additional information if more room is required.)*

To continue running a safe, successful and problem free STR.

How would it impact you, if you cannot proceed with this proposal?

I would possibly have to put my cabin up for sale as this makes lake living/ owning less affordable.

How is this proposal compatible with the surrounding properties?

Compatible - most properties around me have been renting their properties since they have been built.

How will this proposal impact your neighbours/neighbourhood?

There will be no impact from this proposal. I have been operating my STR for a few years now with zero issues/ complaints.

This is also in agreeance with our condo corp.

What are the proposed measures to mitigate expected on- and off-site impacts?

I will continue to abide by all bylaws stated in my condo corp as well as municipality bylaws.

I would ensure actions are taken to not allow renters who created issues in my area during their stay to rent my place again.

I have security cameras posted on my property to ensure appropriate monitoring of my property during my rentals. I also have access to local contacts to help address potential issues with my renters in a timely manner.

Additional Comments:

I would love to continue to run my property as an STR like I have been in the past. I have had great success, with no complaints from neighbours or the surrounding community.
