### STATEMENT OF RESPONSIBILITY

To the Ratepayers of the Municipality of Harrison Park:

The Municipality's management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the consolidated financial statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management are required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting, budget, and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

Council is composed of elected officials who are not employees of the Municipality. Council is responsible for overseeing management in the performance of its financial reporting responsibilities. Council fulfills these responsibilities by reviewing the financial information prepared by administration and discussing relevant matters with external auditors. Council is also responsible for recommending the appointment of the Municipality's external auditors.

Sensus Chartered Professional Accountants Ltd., an independent firm of Chartered Professional Accountants, is appointed by Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

| Reeve    |  |  |

To the Reeve and Council of: Municipality of Harrison Park Onanole, Manitoba

### Opinion

We have audited the accompanying consolidated financial statements of the Municipality of Harrison Park, which comprise of the statement of financial position as at December 31, 2021 and the statement of operations, statement of changes in net financial assets and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Municipality of Harrison Park as at December 31, 2021, and its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Municipality of Harrison Park in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality of Harrison Park's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality of Harrison Park or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality of Harrison Park's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Municipality of Harrison Park's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality of Harrison Park's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality of Harrison Park to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Brandon, Manitoba March 15, 2023

Chartered Professional Accountants Ltd.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 1. STATUS OF THE MUNICIPALITY OF HARRISON PARK

The incorporated Municipality of Harrison Park ("the Municipality") is a Municipality that was established as of January 1, 2015 pursuant to The Municipal Amalgamations Act. The Municipality of Harrison Park reflects the amalgamation of the former Rural Municipality of Harrison and Rural Municipality of Park. The Municipality provides or funds municipal services such as police, fire, public works, planning, parks and recreation, library and other general government operations. The Municipality owns three utilities, has several designated special purpose reserves and provides funding support for other financial entities involved in economic development, recreation and tourism.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements have been prepared in accordance with public sector accounting standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada and reflect the following significant accounting policies:

### Reporting Entity

The consolidated financial statements include the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all the funds, agencies, local boards, and committees of the Council which are controlled by the Municipality. Control is defined as the power to govern the financial and reporting policies of another organization with the expected benefits or risk of loss to the Municipality. The controlled organizations are consolidated after adjusting their accounting policies to a basis consistent with the accounting policies of the Municipality. Inter-fund and inter-company balances and transactions have been eliminated. The Municipality has no controlled organizations.

The Municipality has several partnership agreements in place, and as such, consistent with generally accepted accounting treatment for government partnerships, the following local agencies, boards and commissions are accounted on a proportionate consolidation basis whereby the Municipality's pro-rata share of each of the assets, liabilities, revenues and expenses are combined on a line by line basis in the financial statements. Inter-company balances and transactions have been eliminated. The government partnerships include:

South Mountain Waste Management Group - 33.33% (2020 - 33.33%)

The taxation with respect to the operations of the school divisions are not reflected in the Municipality surplus of these financial statements.

Trust funds and their related operations administered by the Municipality are not consolidated in these financial statements. The trust funds administered by the Municipality are presented in Note 17.

### **Basis of Accounting**

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services or the creation of an obligation to pay.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### **Cash and Temporary Investments**

Cash and temporary investments include cash and temporary investments which comprise term deposits and guaranteed investment certificates.

### Real Estate Properties Held for Sale

Real estate properties held for sale are recorded at the lower of cost and net realizable value. Cost includes the amount of acquisition, legal fees, and improvements to prepare the properties for sale or servicing.

### **Landfill Closure and Post Closure Liabilities**

The estimated cost to close and maintain solid waste landfill sites are based on estimated future expenses, in current dollars, adjusted for estimated inflation, and are charged to expenses as the landfill capacity is used.

### Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

Real estate properties and inventories held for sale are classified as non-financial assets if it is anticipated that the sale will not be completed within one year of the reporting date.

### Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to the ownership or property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

### **Inventories**

Inventories held for sale are recorded at the lower of cost and net realizable value.

Inventories held for consumption are recorded at the lower of cost and replacement value.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### **Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair value upon acquisition. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Certain assets are disclosed at a nominal value as the determination of current fair market value was not available. The Municipality does not capitalize internal finance charges as part of the cost of its tangible capital assets.

### **General Tangible Capital Assets**

| Land  | Indefinite     |
|---|----------------|
| Land improvements                           | 10 to 30 years |
| Buildings and leasehold improvements        |                |
| Buildings                                   | 25 to 40 years |
| Leasehold improvements                      | Life of lease  |
| Vehicles and equipment                      |                |
| Vehicles                                    | 5 years        |
| Machinery, equipment and furniture          | 10 years       |
| Maintenance and road construction equipment | 15 years       |
| Computer hardware and software              | 4 years        |

Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the Municipality, forests, water, and other natural resources are not recognized as tangible capital assets.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### **Revenue Recognition**

Revenues are recognized as they are earned and measurable.

Government transfers are recognized in the financial statements when the transfer is authorized and eligibility criteria are met except, when and to the extent, stipulation by the transferor gives rise to an obligation that meets the definition of a liability. Stipulations by the transferor may require that the funds only be used for providing specific services or the acquisition of tangible capital assets. For transfers with stipulation an equivalent amount of revenue is recognized as the liability is settled.

### **Deferred Revenue**

Deferred revenue represents user charges and other fees which have been collected, for which the related services have yet to be provided. These amounts will be recognized as revenue in the fiscal year the services are provided.

### **Measurement Uncertainty**

Estimates are used to accrue revenues and expenses in circumstances where the actual accrued revenues are unknown at the time the financial statements are prepared. Uncertainty in the determination of the amount at which an item is recognized in the financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized amount and another reasonable possible amount, as there is whenever estimates are used.

Measurement uncertainty in these financial statements exists in the accrual of the landfill closure and post closure liabilities. The accrual of the landfill liabilities is based on estimated future cash flows discounted to the financial statement date. The estimate of the future cash flows and the closure date of the landfill are based upon the best estimates by management. The actual future cash flows and closure date may differ significantly.

### 3. CASH

Cash is comprised of the following:

**2021** 2020

Cash \$ 9,963,816 \$ 8,890,772

The Municipality has designated \$4,947,319 (2020 - \$3,953,036) to reserves for debt principal repayments and tangible capital asset acquisitions. See Schedule 6 – Schedule of Change in Reserve Fund Balances.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 7. LANDFILL CLOSURE AND POST CLOSURE LIABILITIES

The Municipality is currently operating a Class 3 landfill site. Legislation requires closure and postclosure care of solid waste landfill sites. Closure costs include final covering and landscaping of the landfill and implementation of drainage and gas management plans. Post closure care requirements include cap maintenance, groundwater monitoring, gas management system operations, inspections and annual reports.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 9. DEBENTURES PENDING

Authority Purpose Authorized

By-law 94 Construction of Public Works Shop in Onanole \$ 512,664

### 10. OBLIGATION UNDER OPERATING LEASE

In 2021, the Municipality entered into a three year lease agreement with Caterpillar Financial Services Limited to lease a 2021 CAT motor grader with an annual payment of \$76,807 including taxes, expiring January 2024. The first lease payment commenced in January 2021 with the last payment being in January 2023.

### 11. COMMITMENTS

The Municipality has established a financial assistance program for the Onanole & District Recreation Corporation through the passing of By-law No. 87. The amount of the assistance is not to exceed \$250,000 or a maximum of \$50,000 per year for a period of 5 years commencing in the 2021 year and ending December 31, 2025. As of the financial statement date, \$50,000 was granted to the Corporation.

The Municipality is committed to the purchase of land located at SP Lot 8 Plan 7588 NLTO, at a purchase price of \$650,000 which will be used for the construction of Onanole Public Works Shop. As of the financial statement date, a deposit of \$10,000 was paid by the municipality for the land purchase and \$4,340 was spent for the construction cost. The remaining balance for the land purchase will be financed by long-term debt in the amount of \$512,664 and transfers from reserves. The closing date of the purchase is April 1, 2022. Subsequent to year end, the municipality spent \$3,153 on construction costs.

Furthermore, the Municipality is committed to the construction of a new Fire Hall in Onanole. As of the financial statement date, \$50,544 had been spent on the project with an additional \$37,919 spent subsequent to year end.

Lastly, a resolution was passed by the Council on September 9, 2019 to support the following projects:

Deer Road Water Project - the Municipality has applied for a grant funding under the Investing in Canada Infrastructure Program - Green Infrastructure Stream. The funding application is still pending but the Municipality commits to provide its share of \$386,770 towards the project. As of financial statement date, nothing had been spent on the project.

Mooswa Drive Water Project - the Municipality has applied for a grant under the Investing in Canada Infrastructure Program - Green Infrastructure Stream. The funding application is still pending but the Municipality commits to provide its share of \$271,120 towards the project. As of financial statement date, \$28,843 had been spent on the project with an additional \$233,096 spent subsequent to year end.

Victor Avenue & West Water Project - the Municipality has applied for a grant funding under the Investing in Canada Infrastructure Program - Green Infrastructure Stream. The funding application is still pending but the Municipality commits to provide its share of \$807,486 towards the project. As of financial statement date, \$10,500 had been spent on the project and nothing had been spent subsequent to year end.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 12. FINANCIAL INSTRUMENTS

The Municipality as part of its operations carries a number of financial instruments. It is management's opinion the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

### 13. RETIREMENT BENEFITS

The majority of the employees of the Municipality are members of the Municipal Employees' Pension Plan (MEPP), which is a multi-employer defined benefit pension plan. MEPP members will receive benefits based on 1.5% of their final average yearly Canada Pension Plan (CPP) earnings times years of service, plus 2.0% of their final average yearly non-CPP earnings times years of service. The costs of the retirement plan are not allocated to the individual entities within the related group. As a result, individual entities within the related group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Chartered Professional Accountants of Canada Handbook section PS3250.

Pension assets consist of investment grade securities. Market and credit risk on these securities are managed by MEPP by placing plan assets in trust and through MEPP investment policy. The pension expense is based on the contribution rate. The MEPP required that employees contribute 8.3% of basic annual earnings up to the CPP ceiling plus 9.5% of basic annual earnings in excess of the CPP ceiling, plus an additional 0.1% of earnings below and in excess of the CPP ceiling from employees that are not members of the Municipal Disability Income Plan. The employers are required to match the employee contributions to the MEPP. Actual contributions to MEPP made during the year by the Municipality on behalf of its employees amounted to \$72,592 (2020 - \$69,944) and are included in the statement of operations.

Subject to the following paragraph, any unfunded liabilities are to be funded by the participating employers. The most recent actuarial valuation as of December 31, 2020 indicated the plan was 96.7% funded on a going concern basis and has an unfunded solvency liability of \$333.3 million. The solvency position of the plan is determined by comparing the plan assets to the actuarial present value of the benefits accrued in respect of credited service up to the valuation date, calculated as if the plan were wound up on December 31, 2020.

In 2010, the Government of Manitoba enacted a regulation which permits sponsors of public sector pension plans, including MEPP, to elect permanent exemption from solvency funding requirements subject to certain conditions stated in the regulation. MEPP has elected permanent exemption from solvency requirements. As a result, solvency funding is no longer required by MEPP.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 14. BUDGET

The financial plan is prepared on a revenue and expenditure basis. For comparative purposes, the Municipality has modified its financial plan to prepare a budget that is consistent with the scope and accounting principles used to report the actual results. The budget figures used in these financial statements have been approved by council.

The reconciliation between the financial plan and the budget figures used in these statements is disclosed in Schedule 10 - Reconciliation of the Financial Plan to the Budget.

### 15. PUBLIC SECTOR COMPENSATION DISCLOSURE

It is a requirement of the Public Sector Compensation Disclosure Act that annual public disclosure be made of aggregate compensation paid to members of council, and of individual compensation in an amount exceeding \$75,000 annually to any member of council, officer or employee of the Municipality. For the year ended December 31, 2021:

- a) There were no members of council receiving compensation in excess of \$75,000 individually.
- b) Compensation paid to members of council amounted to \$82,362 in aggregate.

### Council Members:

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2021

### 18. SEGMENTED INFORMATION

The Municipality of Harrison Park provides a wide range of services to its residents. Segment information has been provided in Schedule 4 for the following services:

- General government services
- Protective services
- Transportation services
- Environmental health services
- Public health and welfare services
- Regional planning and development
- Resource conservation and industrial development
- Recreation and cultural services
- Water and sewer services

Revenues and expenses represent amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies of the segments are consistent with those followed in the preparation of the financial statements as described in the summary of significant accounting policies

### 19. PUBLIC UTILITIES BOARD

The Public Utilities Board (PUB) regulates the rates charged by all water and wastewater utilities, except the City of Winnipeg utility and wholesale water rates set by the Manitoba Water Services Board. The PUB has the authority to order any owner of a utility to adopt uniform and prescribed accounting policies. The PUB's prescribed accounting policies on tangible or contributed capital assets and government transfers allow for adjustments to be made, for rate setting purposes, which do not meet PSAB standards.

For information purposes, the Municipality has deferred the capital grants and/or contributed assets it has received in the past for its utilities and amortized them over the useful life of the related tangible or contributed capital asset.

No capital grants have been deferred and amortized in these financial statements.

The following table provides historical information on capital grants for tangible or contributed capital assets with a remaining Net Book Value.

### Water services:

### 21. OTHER MATTERS

During the year, the COVID-19 pandemic impacted Canada and caused significant disruptions to the Canadian economy. As of the audit report date, the municipality has not suffered any significant disruptions. However, certain processes and procedures were improvised to help reduce the spread of the virus such as board meetings held virtually. While the disruption is currently expected to be temporary, there is considerable uncertainty about the duration of the disruption. As a result, the related financial impact and duration cannot be reasonably estimated at this time.

SCHEDULE 1 - CONSOLIDATED SCHEDULE OF TANGIBLE CAPITAL ASSETS **MUNICIPALITY OF HARRISON PARK** For the year ended December 31, 2021
